QUOTE OF THE WEEK

"KIDS ARE LIKE FARTS, YOU CAN JUST ABOUT TOLERATE YOUR OWN!"

Important! FYI - Police Crackdown on Road Safety

As quoted in last weeks Batam Post, the police are currently targeting drivers and motorcyclists in a bid for safer roads. From now, if you are caught talking on a mobile phone, whilst driving, you will be fined **Rp 750,000** or, alternatively, spend 3 months in jail. For failure to wear a seatbelt you will be fined a hefty **Rp 1,000,000** or 3 months jail. So the message here is to **buckle up** and pull over if you need to speak on your mobile whilst driving or riding...

Please also note, you may have noticed new signage at intersections where there are traffic lights. From now, it is prohibited to turn left when the traffic light is red.

Another issue of great importance!!!
